

## Static-X "Behemoth"

Visit "[Behemoth](#)" on MotoLyrics.com

Abandon me, a horror scene  
A time storm, a pile up  
Exterminate it, calculate it  
Ricochet, smart bullet

Get louder, get higher  
Get true to form behemoth  
Verify, storm of the eye  
To detonate the fusion

Get it, get it, get it

Bastards deformed  
They're walking dead

Wrecking, dragging  
Nagging, sagging  
Blocking, cocking  
Smoking, choking

Get louder, get higher  
Get true to form behemoth  
Intensity, it's hard to see  
Diffusing the tune up

Get it, get it, get it

Wrecking, dragging  
Nagging, sagging  
Blocking, cocking  
Smoking, choking

Get louder, get higher  
Get true to form, behemoth  
Intensity, it's hard to see  
Diffusing the tune up

Get it, get it, get it
