Regrets, I ran away I froze, I froze
(So frozen cold)
All bets, I turned my back my heart it glows
(Hearts turn to stone)

Undone, I put my head into my hands
(My broken hands)
Not won, I did not want to understand

Breathe for me
Breathe in me
Breathe

Breathe for me
Breathe in me
Breathe

I can, I cannot feel I cannot see
(Darkness I see)
I got this feeling hanging over me
(Hung over me)

I can, I cannot feel you take a breath
(One final breath)
I got, I got this feeling, kiss of death

Breathe for me
Breathe in me
Breathe

Breathe for me
Breathe in me
Breathe

Breathe for me
Breathe in me
Breathe

Breathe for me
Breathe in me
Breathe

Still I fade, still I fade
Still I fade, still I fade
Still I fade, still I fade
Still I fade, still I fade

Away, away
