Winding it up
Like a wound metal fuzz box
Tuning it up
Make your neck bend round

Plugging it in
To the primary noise box
Making it raw
Make your brain shut down

Origin known
To the few chroma-matic
It shakes your eyes
And it shocks you wide

Tuning it down
To the end note, feedback
Fuzz back, head scratch
Phase loop, heart attack

Chroma-matic
Chroma-matic
Chroma-matic
Chroma-matic

Origin known
To the few chroma-matic
It shakes your eyes
And it shocks you wide

Tuning it down
To the end note, feedback
Full stack, head crack
Slam that Cadillac

Chroma-matic
Chroma-matic
Chroma-matic
Chroma-matic
