

## Static-X "Control It"

Visit "[Control It](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Everybody, soul and body cold  
All this sickness, you lost control  
You can't get it you just don't get it, no  
You can't get it you got zero

Look within me, am I evil though  
Memories bring tears of years old  
You can't get it you just don't get it, no  
You can't get it you got zero

Life, you take it, lies, you fake it  
Suffer, within me, torn, you break it  
Life, control it, lies, withhold it  
Suffer, you're skinny, torn, you're wasted

Kids with defects we're all rejects, so  
Don't forget it, cold inside  
You can't get it you just don't get it, no  
You can't get it you got zero

Life, you take it lies, you fake it  
Suffer, within me torn, you break it  
Life, control it lies, withhold it  
Suffer, you're skinny torn, you're wasted

Life, you take it lies, you fake it  
Suffer, within me torn, you break it  
Life, control it lies, withhold it  
Suffer, you're skinny torn, you're wasted

Control it, control it

Break this, take control  
Take this, I control it  
Break this, take control  
Take this, I control it

Life, you take it lies, you fake it  
Suffer, within me torn, you break it  
Life, control it lies, withhold it  
Suffer, you're skinny torn, you're wasted

Life, you take it lies, you fake it  
Suffer, within me torn, you break it  
Life, control it lies, withhold it  
Suffer, you're skinny torn, you're wasted

Break this, take control  
Take this, I control it  
Break this, take control  
Take this, I control it
