She heard it all before, she has a grand design
Barely living on borrowed time
Turn a blind eye to see the shadow come
Never even notice, having so much fun

One thing on her mind it's just fun and games
Scott free, baby wants to point the blame
Listen up people gonna spread the word
Break it down 'cause you got to be heard

Hey I know I hope she don't crash
Hey I know I hope she don't crash

Barely living on borrowed time
Never stop to think how or why
An aimless driver lives inside of her head
She only needs to have her ego fed

C R A S, ah

Hey I know I hope she don't crash
Hey I know I hope she don't crash

Hey I know I hope she don't crash
Hey I know I hope she don't crash

Burning up baby like a falling star
Burning up baby like a falling star
Burning up baby like a falling star
Burning up baby like a falling star

Burning up baby like a falling star
Burning up baby like a falling star

Hey I know I hope she don't crash
Hey I know I hope she don't crash

Hey I know I hope she don't crash
Hey I know I hope she don't crash
