Look down around
All is not well
Victim of change
Far out of range

A is non-a
Be or be not
See what I see
Get what I got

Sometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Sometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Dead world

King of my world
This rule I break
King of my world
I eat my cake

A is non-a
Be or be not
See what I see
Get what I got

Sometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Sometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Dead world

Softly, angry, bitter, killer
Torn flesh, more less, ears curled
Dead world
Dead world

Look down around
All is not well
Victim of change
Far out of range

A is non-a
Be or be not
See what I see
Get what I got

Sometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Sometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Dead world
