Never fear  
Never fear  
Never fear  
Never fear to meet the resistance

Walk with me  
Walk with me  
Walk with me  
Walk with me though don't mind the distance

To avoid all collected  
Disinfect the affected  
Just to feel this connection

To avoid all collected  
Disinfect the affected  
Just to feel this connection

Feel feel  
Feel feel  
Feel feel

Walk by me  
Walk by me  
Walk by me

To avoid all collected  
Disinfect the affected  
Just to feel this connection

To avoid all collected  
Disinfect the affected  
Just to feel this connection

Driving it down  
Tearing it down  
Break it down  
Drive it

Driving it down  
Tearing it down  
Break it down

Drive it

Never fear  
Never fear  
Never fear  
Never fear to meet the resistance

Walk with me  
Walk with me  
Walk with me

To avoid all collected  
Disinfect the affected  
Just to feel this connection

To avoid all collected  
Disinfect the affected  
Just to feel this connection

Driving it down  
Tearing it down  
Break it down  
Drive it

Driving it down  
Tearing it down  
Break it down  
Drive it

You made me this way  
You made me this way  
You made me this way  
You made me this way

You made me this way  
You made me this way  
You made me this way  
You made me this way

Driving it down  
Tearing it down  
Break it down  
Drive it

Driving it down  
Tearing it down  
Break it down  
Drive it
