

# Static-X "Enemy"

Visit "[Enemy](#)" on MotoLyrics.com

Confine me, it's all that I see  
Sickness keeps you following me  
Keep it inside, all that is sharp  
Hold it inside, all that is dark

Confine me, it's all that I see  
Sickness keeps you following me  
Keep it inside, all that is sharp  
Hold it inside, all that is dark

Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear  
I'll shut you up

Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear

Down, down, down  
I'll destroy you, kill or be killed  
Down, down, down  
You've become the enemy, enemy

I thank you for making me feel  
Make me feel like I want to kill  
You show me you're evil inside  
Now won't you just curl up and die

I thank you for making me feel  
Make me feel like I want to kill  
You show me you're evil inside  
Now won't you just curl up and die

Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear  
I'll shut you up

Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear  
I'll shut you up  
Tear

Down, down, down  
I'll destroy you, kill or be killed  
Down, down, down  
You've become the enemy, enemy

Down, down, down  
I'll destroy you, kill or be killed  
Down, down, down  
You've become the enemy, enemy

You make me  
You make me hate  
You make me  
You make me hate you

You make me  
You make me hate  
You make me  
You make me hate you

You make me  
You make me hate  
You make me  
You make me hate you

You make me  
You make me hate  
You make me  
You make me hate you

You make me  
You make me hate  
You make me  
You make me hate you

You make me  
You make me hate  
You make me hate you

Down, down, down  
I'll destroy you, kill or be killed  
Down, down, down  
You've become the enemy, enemy

Down, down, down  
I'll destroy you, kill or be killed  
Down, down, down  
You've become the enemy, enemy

You make me  
You make me hate  
You make me  
You make me hate you

You, you make me  
You make me hate  
You make me  
You make me hate you
