Pitch slap, deep space, techno echo
And gate and filter the thoughts
Short break, electric scramble
Take what you thought was yours

Tribal Bible, punching metal
Black fills up every knot
Scratch up synthetic substance
Break up the fall

Grind 2 halt, slam it shut
Never stop, make the cut
Grind 2 halt, slam it shut
Never stop, make the cut

Carve confusion, bright illusion
Drive to burn up the road
Visions begin to glow
It starts to heavy the load

Still I'm liable, twist in my side
Black fills up every knot
Scratch up synthetic substance
Break up the fall

Grind 2 halt, slam it shut
Never stop, make the cut

Carve confusion, bright illusion
Drive to burn up the road
Visions begin to glow
It starts to heavy the load

Still I'm liable, twist in my side
Black fills up every knot
Scratch up synthetic substance
Break up the fall

Grind 2 halt, slam it shut
Never stop, make the cut
Grind 2 halt, slam it shut
Never stop, make the cut
