Extra long for gliding and sliding
Skin compatibility, long lasting
Pure original formula, personal
Never dries out your skin

Ready put it in
Baby, baby, baby, baby, baby
Never gets sticky
See directions for use

Original body
Conditioning party
Twist that cap off
Put it to use

Hypure
Super concentrated
Faster, never terminate it

Spread it all around to enhance your pleasure
It only takes a few drops and it never stops
Pure original formula, personal
Never dries out your skin

Ready put it in
Take me, take me, take me, take me, take me

Take it how you want
I'm ready for you

Original body
Conditioning party
Let's get it started and
Put it to use

Hypure
Super concentrated
Faster, never terminate it

Hypure
Super concentrated
Faster, never terminate it

Penetrate it, harder, faster
Spread it around
Twisting, positioning
Push it in further

Never ever
Suspect synthetic
Glistening under the glow
Make me hyper

Hypure
Super concentrated
Faster, never terminate it

Hypure
Super concentrated
Faster, never terminate it
Penetrate it
