I've been taking abuse and it's senseless
Fist into the wall and it's painless
I've been living the lie that I made me
Live it
Screaming into the mic and I like it
Put it all over the air in thick slices
Soak it all up in your head with the anger
Like it

Older
Elder
I am
(Grind on it)
Deeper
Bleaker
I am

Brush the surface off and grind on it
Brush the surface off and grind on it
Brush the surface off and grind on it
Brush the surface off and grind on it
Brush the surface off and grind on it
Brush the surface off and grind on it

Older
Elder
I am
(Grind on it)
Deeper
Bleaker
I am

I've been taking abuse and it's senseless
Fist into the wall and it's painless
I've been living the lie that I made me
Live it
Screaming into the mic and I like it
Put it all over the air in thick slices
Soak it all up in your head with the anger

I am

Put a gun in my mouth and threaten to shoot
Put a gun in my mouth and threaten to shoot
Put a gun in my mouth and threaten to shoot
Put a gun in my mouth and threaten to shoot
Justice died here
