Undead, undead, undead, undead

Otsego, Otsego, Otsego, Otsego go
Otsego, Otsego, Otsego, Otsego go

Strengthening, shroud of night
Waiting weak for taste of blood
Beneath a halo, eternal light
I survive breathe on

Inhuman, undying
Feast of blood now pulse through me
Immortal, I'm undying
Eternal undead

Otsego, Otsego, Otsego, Otsego go
Otsego, Otsego, Otsego, Otsego go

Strengthening, shroud of night
Waiting weak for taste of blood
Beneath a halo, eternal light
I survive breathe on

Inhuman, undying
Feast of blood now pulse through me
Immortal, I'm undying
Eternal undead

Otsego, Otsego, Otsego, Otsego go undead
Otsego, Otsego, Otsego, Otsego go undead

Undead, undead

Otsego, Otsego, Otsego, Otsego go
Otsego, Otsego, Otsego, Otsego go

Undead, undead
