Cutting your skin
It's falling to pieces
Chilling within, body is cold
Cold to the bone

Bestial sin
You're trying to keep it
Feeling within
Spirit is old

Let me in
It never can happen
Biting me with a poisonous mouth
A venomous shout

Tear me apart
Chewing the gristle
Chewing it up
Spitting me out

Reptile, reptile
Reptile, reptile

Cutting your skin
It's falling to pieces
Chilling within, body is cold
Cold to the bone

Bestial sin
You're trying to keep it
Feeling within
Spirit is old

Reptile, reptile
Reptile, reptile

Let me in
It never can happen
Biting me with a poisonous mouth
A venomous shout

Tear me apart

Chewing the gristle
Chewing it up
Spitting me out

Reptile, reptile
Reptile, reptile
Reptile, reptile
Reptile, reptile
