Got to get it out of me  
I feel let, I feel let, I feel let, I feel let down  
Push it out in spite of me  
I feel let, I feel let, I feel let, I feel let down

Lay it out in front of me  
I feel it, I feel it, I feel it now  
Tie it up, tie it up  
Throw it, throw it, throw it, throw it out

Tie me up, cursing, I'm searching  
Tie me down, I'm giving up  
Tie me up, I'm losing, I'm drowning  
Tie me down in my shit

Got to get it out of me  
I feel let, I feel let, I feel let, I feel let down  
Push it out in spite of me  
I feel let, I feel let, I feel let, I feel let down

Tie me up, cursing, I'm searching  
Tie me down, I'm giving up  
Tie me up, I'm losing, I'm drowning  
Tie me down in my shit

I'm cursing, I'm searching  
I'm giving up hoping  
I'm losing, I'm drowning  
In my shit I'm floating

It's after, it's never  
It's too late for reason  
It's now or it's never  
It's over, it's pouring out

Tie me up, I'm cursing, I'm searching  
Tie me down, I'm giving up  
Tie me up, I'm losing, I'm drowning  
Tie me down in my shit

Tie me up, it's after, it's never  
Tie me down, it's too late

Tie me up, it's now or it's never  
Tie me down, it's pouring out

Tie me up, I'm cursing, I'm searching  
Tie me down, I'm giving up  
Tie me up, I'm losing, I'm drowning  
Tie me down in my shit

Tie me up, it's after, it's never  
Tie me down, it's too late  
Tie me up, it's now or it's never  
Tie me down, it's pouring out
