## Static-X So Lyrics

So I've betrayed self  
So I've betrayed you  
So what now?  
So what do we do?

Pushing you away  
Pushing you away  
Pushing you away  
Away from me  
Pushing you away  
Pushing you away  
Pushing you away  
Away from me

So I'm, I'm confused  
So you're not amused  
So I'm feeling used  
So what do we do?

Pushing you away  
Pushing you away  
Pushing you away  
Away from me  
Pushing you away  
Pushing you away  
Pushing you away  
Away from me

Empty inside  
I'm dying, I'm crying  
She makes me bad  
Betrays my head  
Empty inside  
I'm dying, I'm crying  
She makes me bad

Pushing you away  
Pushing you away  
Pushing you away  
Away from me

Pushing you away  
Pushing you away  
Pushing you away  
Away from me  
Pushing you away  
Pushing you away  
Pushing you away  
Away from me  
Pushing you away  
Pushing you away  
Pushing you away  
Away from me

Empty inside  
I'm dying, I'm crying  
She makes me bad  
Betrays my head  
Empty inside  
I'm dying, I'm crying  
She makes me bad
