Este un monstru

Breathing, killing, seething, willing  
Fighting, biting, hating, waiting for you  
Don't you, won't you, don't lie

Give it, get it, live it, let it  
Dedicated, nothing sacred for you  
Don't you, won't you, I die

Wreak havoc, I'm crippled  
You're polluted soul, is so corrupted  
In your eyes, see all the lies  
The alibis, that I despise

In your eyes, see all the lies  
The alibis, that I despise  
In your eyes, all the lies  
Alibis, I despise  
See the lies, spirit dies  
Your disguise, monster size

Breathing, killing, seething, willing  
Fighting, biting, hating, waiting for you  
I don't know why I try

Give it, get it, live it, let it  
Dedicated, nothing sacred for you  
I can't see you I'm blind

Wreak havoc, I'm crippled  
Your polluted soul, is so corrupted  
In your eyes, see all the lies  
The alibis, that I despise

In your eyes, see all the lies  
The alibis, that I despise  
In your eyes, all the lies  
Alibis, I despise  
See the lies, spirit dies  
Your disguise, monster size

Wreak havoc, I'm crippled  
Erasing, refacing  
So worthless, no mercy  
You're polluted soul, is so corrupted

In your eyes, see all the lies  
The alibis, that I despise  
In your eyes, see all the lies  
The alibis, that I despise

In your eyes, all the lies  
Alibis, I despise  
See the lies, spirit dies  
Your disguise, monster size

Breathing, killing, seething, willing  
Fighting, biting, hating, waiting for you  
Don't you, won't you, don't lie
