speed toward hell
shed no tears
you don't know me
take my life
steal my tongue
to defeat your taste
could never criticize
no better than me
better than you
it's easier to lie
than to tell the truth
you've become the waste that i despise

speed toward hell
shed no tears
you don't know me
take my life
steal my tongue
to defeat your taste
could never criticize
no better than me
better than you
it's easier to lie
than to tell the truth
you've become the waste that i despise
