You think you're smart, you're not
It's plain to see that you want me to
Fall off, it's killing me
Let's see, you've got the gall
Come, take it all

The jury is coming
Coming to tear me apart
All this bitching and moaning
Come on, it's on

I'm trapped in this world, lonely and fading
Heartbroke and waiting, for you to come
We are stuck in this world
That's not meant for me, for me

So what you got, one last try
It seems to me that you're not needed
Come on, it's killing me
Let's see, you've got the gall
Come, take it all

The jury is coming
Coming to tear me apart
All this bitching and moaning
Come on, it's on

I'm trapped in this world, lonely and fading
Heartbroke and waiting, for you to come
We are stuck in this world
That's not meant for me, for me

Come on, it's on
Come on, it's on
Come on, it's on
Come on, it's on

I'm trapped in this world, lonely and fading
Heartbroke and waiting, for you to come
We are stuck in this world
That's not meant for me, for me

I'm trapped in this world, lonely and fading
Heartbroke and waiting, for you to come
We are stuck in this world
That's not meant for me, for me, for me
