What's wrong?
Don't you sing dong ding dong
Push it on the phoney
Hook it up and ride away
Motion
Can't you feel the motion
You can see right through me
We connect you're part of me

Take this
Break the vibe and make this
Get up on it oh yeah
Close your eyes and fly away
Motion
Can't you feel the motion
You can see right through me
We connect you're part of me

Get up on this Wisconsin death trip
Get up on this Wisconsin death trip
Get on it
Get up on this Wisconsin death trip
Get up on this Wisconsin death trip

What's wrong
Don't you sing dong ding dong
Push it on the phoney
Hook it up and ride away
Motion
Can't you feel the motion
You can see right through me
We connect you're part of me

Get up on this Wisconsin death trip
Get up on this Wisconsin death trip
Get up on this Wisconsin death trip
Get up on this Wisconsin death trip

Get up on this Wisconsin death trip
Get up on this Wisconsin death trip
Get on it
Get up on this Wisconsin death trip

Get up on this Wisconsin death trip

Take me
Clear your mind and make me
Feel me inside oh yea
You can have me anyway
Motion
Can't you feel the motion
You can see right through me
We connect you're part of me

Get up on this Wisconsin death trip
