It's Meaningless
I Take The Hold
It's Mindlessness
I Bled For Days
Get To The Race
(Hate)
The Healing Of It Fucking With
Conceal The Scab You Don't Want To Show
(Fate)
Into The Hate
(No)
I Channel All The Negative And
I Bled For Days Now I Take The Hold
(Break)
I Don't Believe It
Fuck Me, Read Me, Get Me
(Bled For Days)
Smile On My Rage I'm
Scarred By Age, I Bled
(Bled For Days)
It's Uselessness
I Make Weapons
Take The Hold
