(buttnut)
i've been taking abuse
and it's senseless
(ass-suck)
fist into the wall
and it's painless
(fist fuck)
i've been living the lie
that i made me
(dump truck)
live it
(buttnut)
screaming into the mic
and i like it
(assuck)
put it all over the air
in thick slices
(fist fuck)
soak it all up in your head
with the anger
(dump truck)
like it
older
elder
i am
grind on it
deeper
bleaker
i am
brush the surface off
and grind on it
put a gun in my mouth
and threaten to shoot
justice died here
