what's wrong
don't you sing ding dong
push it the phoney
hook it up and ride away
motion
can't you feel the motion
you can see right through me
we connect
you're a part of me
take this
break the vibe and make this
get up on it oh yeah
close your eys and fly away
motion
can't you feel the motion
you can see right through me
we connect
you're a part of me
get up on this wisconsin death trip
get on it
take me
clear your mind and make me
feel me inside oh yeah
you can have me anyway
motion
can't you feel the motion
you can see right through me
we connect
you're a part of me
