(Shel Silverstein - Dennis Locorriere)

I've got a couple more years  
On you baby, that's all  
I've had more chances to fly  
More places to fall.

Ain't that I'm wiser it's only that I've spent  
More time with my back to the wall  
And I've picked up a couple more years  
On you baby, that's all.

I've walked a couple more roads  
Than you baby, that's all  
And I'm tired of running while  
You're only learning to crawl.

And you're goin' somewhere but I've been to  
somewhere  
And found it was nowhere at all  
And I've picked up a couple more years  
On you baby, that's all.

Now saying goodbye girl  
Don't ever come easy at all  
But you've got to fly  
'Cause you're hearing those young eagles call.

Someday when you're older  
You'll smile at someone younger and eager to fall  
You'll say I got a couple more years  
On you baby, that's all.

And you'll say I got a couple more years  
On you baby, that's all.  
You'll say honey I've picked up  
A couple more years on you baby, that's all...
