Statler Brothers
"All I Can Do"

(Dolly Parton)

Well, it's all I can do to keep from fallin' in love with you
All I can do to keep from lettin' it show
Yeah, that's all I can do to keep from fallin' in love with you
All I can do to keep from tellin' you so.

I wasn't looking for love when I found you
Just someone to be with and have a good time
But I get these strange funny feelings around you
When you're not with me you're still on my mind.

Well, it's all I can do to keep from fallin' in love with you
All I can do to keep from lettin' it show
Yeah, that's all I can do to keep from fallin' in love with you
All I can do to keep from tellin' you so.

Well, I had intended to wait for a long time
I thought that love just mess up my plans
'Cause I had big plans for a bright shining future
Could this be my future that's holding my hand.

It's all I can do to keep from fallin' in love with you
All I can do to keep from lettin' it show
Yeah, that's all I can do to keep from fallin' in love with you
All I can do to keep from tellin' you so.

I need to tell you how I feel about you
But I'm so afraid that you don't feel the same
But if I don't tell you how I feel about you
I just might lose you can I take the chance.

It's all I can do to keep from fallin' in love with you
All I can do to keep from lettin' it show
Yeah, that's all I can do to keep from fallin' in love with you
All I can do to keep from tellin' you so.

It's all I can do to keep from fallin' in love with you
All I can do to keep from lettin' it show
Yeah, that's all I can do to keep from fallin' in love with you
All I can do to keep from tellin' you so.

All I can do to keep from fallin' in love with you
All I can do to keep from lettin' it show
Yeah, that's all I can do to keep from fallin' in love with you
All I can do to keep from tellin' you so...
