(Walter Scott)

Found some letters you wrote me this morning  
They told of a love we once knew  
Now they're gone, I'd burned them to ashes  
Don't want nothing to remind me of you.

Burning bridges behind me  
It's too late to turn back now  
Burning bridges behind me  
All I want is to forget you somehow.

Sold the house that we once planned together  
Said goodbye to the friends that we once knew  
Then I moved to the faraway city  
Trying hard to forget about you.

Burning bridges behind me  
It's too late to turn back now  
Burning bridges behind me  
All I want is to forget you somehow.

All I want is to forget you somehow...
