(Bob Wills - John Wills)

As I look at the letter that you wrote to me
It's you that I am thinking of
As I read the lines that to me were so dear
I remember our faded love.

I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love.

As I think of the past and all the pleasures we had
As I watch the mating of the dove
It was in the springtime that you said goodbye
I remember our faded love.

I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love.

And remember our faded love...
