I'm tryin' to get over you, seems to take so long  
I'm cryin', it's about you, God, where did this thing go  
wrong?

Forever I will love you, I'll never get over loving  
you

Forever I will love you, I'll never get over loving  
you

I had always thought I'd spend my life with you  
Now I know I'll only spend my whole life  
through, remembering you

Forever I will love you, I'll never get over loving  
you

Forever I will love you, I'll never get over loving  
you

Forever I'll be loving you
