(Mickey Newbury)

Last night quietly he walked through my mind
As I lay searching for sleep
His arms reached out he whispered my name
As he brushed a tear from my cheek.

And then those funny, familiar, forgotten feelings
Started walkin' all over my mind
It's sad, so sad to watch love go bad
But a true love would not have gone wrong.

I'm just thankful for the good times we've had
For without them I could not go on
With all those funny, familiar, forgotten feelings
A-walkin' all over my mind.

I must go on, be strong though
A million teardrops may fall
Before those funny, familiar, forgotten feelings
Stopped walkin' all over my mind...
