(Don Reid)

If that old hat I wore could only talk  
And tell some of the things that he has seen  
There's stories that would fill it to the brim  
If that old hat could tell it all again.

If those old boots I wore could write a song  
And tell some of the places they have been  
'Cause they've been kicked and scuffed and left  
behind  
Ah, those boots have got a shine in their time.

--- Instrumental ---

Now hat if you ain't ashamed of what you've seen  
And boots if you still ain't scared of the dark  
If we get a chance to go back where we've been  
Ah, ah, hat and boots we'll do it all again.

Hat and boots we'll do it all again...
