I believe in music
I believe in love
I believe in music
I believe in love.

I could just sit around
Makin' music all day long
Long as I'm makin' music
I know I can't do nobody wrong.

And who knows maybe someday
I'll come up with a song
That makes people wanna stop their fusin' and fightin'
Just long enough to sing along.

I believe in music
I believe in love
I believe in music
I believe in love.

--- Instrumental ---

Music is love and love is music
if you know what I mean
People who believe in music
are the happiest people in life I've ever seen.

So clap your hands, stomp your feet
And shake your tambourine
Lift your voices to the sky
God loves you when you sing.

I believe in music
I believe in love
I believe in music
I believe in love.

I believe in love...
