(Oh, baby mine) I get so lonely
When I (dream) dream about you
(Can't) can't do without you
(That's why) that's why I dream about you
If I could only put my (arms) arms around you
(Life) life would be so fair.

(If you were here) we two could
Hug and kiss and (never) never tire
(I'm) I'm on fire
(You are) you are my one desire
I get so lonely when I (dream) dream about you
(Why) why can't you be there?

(Oh, baby) Tossing and turning in my slumber
(Oh, baby) Holding you it seems
(Oh, baby) I'd give you kisses without number,
But only in my dreams.

(Oh, baby mine) I get so lonely
When I (dream) dream about you
(Can't) can't do without you
(That's why) that's why I dream about you
If I could only put my (arms) arms around you
(Life) life would be so fair.

(Oh, baby) Tossing and turning in my slumber
(Oh, baby) Holding you it seems
(Oh, baby) I'd give you kisses without number,
But only in my dreams.

(Oh, baby mine) I get so lonely
When I (dream) dream about you
(Can't) can't do without you
(That's why) that's why I dream about you
If I could only put my (arms) arms around you
(Life) life would be so fair.

(Oh, baby life) life would be so fair.
(Oh, baby life) life would be so fair.
(Oh, baby life) life would be so fair...
