(Johnny Cash - Ray Cash Jr)

I still miss someone.

At my door the leaves are falling
A cold wild wind will come
Sweethearts walk by together
And I still miss someone.

I go out on a party
And look for a little fun
But I find a darkened corner
For I still miss someone.

Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there.

And I wonder if she's sorry
For leaving what we'd begun
But there's someone for me somewhere
And I still miss someone.

I still miss someone...
