(Bob Dylan)

Close your eyes, close that door  
you don't have to worry anymore  
'Cause I'll be your baby tonight  
Dim the lights, draw the shades  
Honey, you don't have to be afraid  
'Cause I'll be your baby tonight, everything's all right.

Old mockingbird's gonna sail away we'll just forget it  
And the big bad moon's gonna shine like a spoon  
We're gonna let it, you won't regret it  
Kick your shoes off mama, have no fear  
Bring your sweet self right over here  
'Cause I'll be your baby tonight.
