(Lew DeWitt)

Perhaps I outta mingle with the crowd just a little bit  
more

Perhaps I outta find somebody new  
Perhaps I outta hang a happy sign on my front door  
But I'm not quite through cryin' over you, not quite  
I'm not quite through cryin' over you.

I'd kinda like to throw a party and have a little fun  
tonight  
Have some laughs invite a friend or two  
If I could just get started I could have some fun alright  
But I'm not quite through cryin' over you, just yet  
I'm not quite through cryin' over you.

It ain't no trouble for a happy heart, (happy heart)  
A laughin' habit sounds a happy fling, (happy fling)  
My friends all call me ole worry wart  
But they don't know the trouble that a broken heart can  
bring.

I know several girls to call they'd really be glad to go  
And I could wend a heart before the night was through  
But I just have to make believe that I'm a happy Joe  
And I'm not quite through cryin' over you, not quite  
I'm not quite through cryin' over you.

--- Instrumental ---

It ain't no trouble for a happy heart, (happy heart.)  
A laughin' habit sounds a happy fling, (happy fling)  
My friends all call me ole worry wart  
But they don't know the trouble that a broken heart can  
bring.

I know several girls to call they'd really be glad to go  
And I could wend a heart before the night was through  
But I just have to make believe that I'm a happy Joe  
And I'm not quite through cryin' over you, not quite.

I know several girls to call they'd really be glad to go  
And I could wend a heart before the night was through  
But I just have to make believe that I'm a happy Joe  
And I'm not quite through crying over you not quite

I'm not quite through cryin' over you, almost  
I'm not quite through cryin' over you, just about  
I'm not quite through cryin' over you...
