It only hurts for a little while
That's what they tell me, that's what they say
It only hurts for a little while
Then all your heartaches will pass away

It's so easy to be smart
With somebody else's heart
But I don't know how to start
Forgetting you, what can I do?

It only hurts for a little while
That's what they tell me, just wait and see
But I will hurt
'Til you come back to me

It's so easy to be smart
With somebody else's heart
But I don't know how to start
Forgetting you, what can I do?

It only hurts for a little while
That's what they tell me, just wait and see
But I will hurt
'Til you come back to me
