(Jack Clement)

There's a picture that I carry
One we made some time ago
When they ask who's in the picture with me
I say just someone I used to know.

Just a girl I used to spend some time with
Just a flame from long ago
I don't tell them of the nights I've cried without you
I say just someone I used to know.

--- Instrumental ---

Just a girl I used to run around with
Just a spark that's lost its glow
I don't tell them how lost I am without you
I say just someone I used to know.
I say just someone I used to know.

I say just someone I used to know...
