(Jimmy Fortune)

Look at me, you can't even look at me
I don't know what happened to what we used to be
Look at me, you can't even look at me
How can you say you love me, you can't even look at me.

You can say you love me and that might ease my pain
But don't you know you're playin' with my heart
I know you think love is just some foolish game
Well, this time I've played the loser's part.

Oh, look at me, you can't even look at me
I don't know what happened to what we used to be
Look at me, you can't even look at me
How can you say you love me, you can't even look at me.

--- Instrumental ---

You can say you love me and that might ease my pain
But don't you know you're playin' with my heart
I know you think love is just some foolish game
Well, this time I've played the loser's part.

Oh, look at me, you can't even look at me
I don't know what happened to what we used to be
Look at me, you can't even look at me
How can you say you love me, you can't even look at me.

You can't even look at me...
