(Terry Gilkyson - Frankie Miller - Rich Dehr)

Take one fresh and tender kiss  
Add one stolen night of bliss  
One girl, one boy, some grief, some joy  
Memories are made of this.

Don't forget a small moonbeam  
Fold in lightly with a dream  
Your lips and mine, two sips of wine  
Memories are made of this.

Then add the wedding bells, one house where lovers  
dwell  
Three little kids for the flavor  
Stir carefully through the days, see how the flavor  
stays  
These are the dreams you will savor.

With his blessings from above  
Serve it generously with love  
One man, one wife, one love, true life  
Memories are made of this.

Memories are made of this...
