She came to me shortly after Christmas  
Said she hated spoiling New Year's Eve  
But the truth doesn't wait to come in season  
And what we had feared was now believed

She said she'd leave come Monday morning  
Catch a plane if I'd split the fair  
She had friends who lived in New York City  
(New York City)  
She'd look them up and have the baby there

And now she's alone in New York City  
(New York City)  
Living like, Lord, I wonder how  
An angel in Hell in New York City  
(New York City)  
But I can't think about that now

Honey, will you tell him Bible stories  
And give him all the love I never could?  
And never tell him too much 'bout his daddy  
'Cause there's not too much to say that's good

He'll have to learn it all from his mother  
How to count and say his A-B-C's  
But when you teach him prayers to say at bedtime  
Leave off, "God bless Daddy" won't you please?

And now they're alone in New York City  
(New York City)  
Living like, Lord, I wonder how  
Two angels in Hell in New York City  
(New York City)  
But I can't think about that now  
I can't think about that now
