(Eddie Miller - W.S. Stevenson)

Oh, please release me
And let me love again.

Please release me let me go
I don't love you anymore
To waste our lives would be a sin
Release and let me love again.

I have found a new love dear
And I will always want her near
Her lips are warm while yours are cold
Release me my darling let me go.

Please release me let me go
I don't love you anymore
To waste our lives would be a sin
Release and let me love again.

Oh, please release me let me go
Can't you see you'd be a fool to cling to me
To live a lie would bring us pain
So, release me and let me love again.

Release me and let me love again...
