(Don Reid - Harold Reid)

Tommy's selling used cars  
Nancy's fixing hair  
Harvey runs a grocery store  
And Margaret doesn't care.

Jerry drives a truck for Sears  
And Charlotte's on the make  
And Paul sells life insurance  
And part time real estate.

Helen is a hostess  
Frank works at the mill  
Jenett teaches grade school  
And prob'ly always will.

Bob works for the city  
And Jack's in lab research  
And Peggy plays organ  
At the Presbyterian Church.

And the class of '57 has dreams  
We all thought we'd change the world  
With our great works and deeds  
Or maybe we just thought the world  
Would change to fit our needs.  
The class of '57 had dreams.

Betty runs a trailer park  
Jan sells Tupperware  
Randy's on an insane war  
And Mary's on welfare.

Charlie took a job with Ford  
And Joe took Freddie's wife  
Charlotte took a millionaire  
And Freddie took his life.

John is big in cattle  
Ray is deep in debt

Where Marvis family wound up  
Is anybody's bet.

Linda married Sonny  
And Brenda married me  
And the class of all of us  
Is just a part of history.

And the class of '57 has dreams  
But living life day to day  
Is never like it seems  
Things get complicated when  
You get past eighteen.  
But the class of '57 had its dreams.

Oh, the class of '57 had dreams...
