(Dallas Frazier)

There goes my everything.

I hear footsteps slowly walking  
As they gently walk across a lonely floor  
And a voice softly saying darling,  
This will be goodbye forever more.

Oh, oh, oh, there goes my reason for living  
There goes the one of my dreams  
There goes my only possession  
There goes my everything.

As my mem'ry turns back the pages  
I can see the happy years we had before  
Now the love that kept this old heart beating  
Has been shattered by one closing of a door.

Oh, oh, oh, there goes my reason for living  
There goes the one of my dreams  
There goes my only possession  
There goes my everything.

There goes my everything...
