"There Is Power In The Blood"

Would you be whiter, much whiter then snow?
There's power in the blood, power in the blood
Since things are lost in it's live giving flow
There's wonderful power in the blood

There is power, power, wonder working power
In the blood of the lamb
There is power, power, wonder working power
In the precious blood of the lamb

Would you do service for Jesus your King?
There's power in the blood, power in the blood
And would you live daily His praises to sing?
There's wonderful power in the blood

There is power, power, wonder working power
In the blood of the lamb
There is power, power, wonder working power
In the precious blood of the lamb

There is power, power, wonder working power
In the blood of the lamb
There is power, power, wonder working power
In the precious blood of the lamb
In the precious blood of the lamb
