(Harlan Howard)

I wish I could come back to you love  
I know that you want me to  
But too much waters run under this old bridge  
And there's too many rivers between me and you.

There's too many rivers to cross babe  
Too many dreams have been lost  
And there's too many long nights I've turned and I've  
tossed  
And there's too many rivers to cross.

Now don't think for a moment I blame only you  
We both killed the fruit on the vine  
And when you try to put love back together  
There's always a few little pieces you can't find.

And there's too many rivers to cross babe  
Too many dreams have been lost  
And there's too many long nights I've turned and I've  
tossed  
And there's too many rivers to cross.

There's too many long nights I've turned and I've  
tossed  
And there's too many rivers to cross...
