(Roger Miller)

Walkin' in the sunshine, sing a little sunshine song
Put a smile upon your face as if there's nothing wrong
Think about a good time, had a long time ago
Think about forget about your worries and your woes.
Walkin' in the sunshine, sing a little sunshine song.

La, la, la, la, la, de, ho
Whether the weather be rain or snow
Pretending and make it real
A snowy pasture, a green in grass you feel.

Walkin' in the sunshine, sing a little sunshine song
Put a smile upon your face as if there's nothing wrong
Think about a good time, had a long time ago
Think about forget about your worries and your woes.
Walkin' in the sunshine, sing a little sunshine song.
