Everybody knows when you go to the show you can't
take the kids along.
You've gotta read the paper and know the code of G,
PG, and R, and X,
And you gotta know what the movie's about before you
even go.
Tex Ritter's gone, and Disney's dead, and the screen is
filled with sex.

[CHORUS]

Whatever happened to Randolph Scott ridin' the trail
alone?
Whatever happened to Gene and Tex, and Roy, and
Rex, the Durango Kid?
Oh, Whatever happened to Randolph Scott, his horse
plain as could be?
Whatever happened to Randolph Scott has happened
to the best of me.
[Guitar]

Everybody's tryin' to make a comment about our
doubts and fears.
True Grit's the only movie I've really understood in
years.
You gotta take your analyst along to see if it's fit to see.
Whatever happened to Randolph Scott has happened
to the industry.

[CHORUS]

Whatever happened to Johnny Mack Brown, and Alan
"Rocky" Lane?
Whatever happened to Lash LaRue? I'd love to see
them again.
Whatever happened to Smiley Burnett, Tim Holt, and
Gene Autry?
Whatever happened to all of these has happened to the
best of me.

Whatever happened to Randolph Scott has happened

to the industry.
