( Grossman )

Heading down the back turnpike, signposts are  
pointing west  
Fell into the lonely dustpipe, hope my pick-up can stand  
the test  
But I'm doing all right now  
Rolling down the dustpipe, na-na-na-na nana-na-nana-  
na

Rolling down the dustpipe now, got a ten dollar bill in  
my jeans  
Because there ain't no room for a kosher cowboy in a  
town like New Orleans  
But I'm doing all right now  
Rolling down the dustpipe, na-na-na-na nana-na-nana-  
na

Guess I didn't make it in the city, but that's just the way  
that it goes  
'Cos there's a lotta lunatics, crazy ghostmen, baby,  
don't like the shape of my nose  
But I'm doing all right now  
Rolling down the dustpipe, na-na-na-na nana-na-nana-  
na

Rolling down the dustpipe now, got a ten dollar bill in  
my jeans  
Because there ain't no room for a kosher cowboy in a  
town like New Orleans  
But I'm doing all right now  
Rolling down the dustpipe, na-na-na-na nana-na-nana-  
na

Rolling down the dustpipe now, got a ten dollar bill in  
my jeans  
Because there ain't no room for a kosher cowboy in a  
town like New Orleans  
But I'm doing all right now..
