Dreamin'
Rossi/Frost - Dump/Eaton Music

I heard you cry tonight while you were sleeping tight
What were you dreamin'?
Was it another guy and did he make you cry
While you were dreamin'?
I don't find it easy to say
But I think it's right that you have to know

Why won't you understand you're being underhand
About your dreamin'?
I love you more and more, of that you can be sure,
Even your dreamin'.
I don't mind if you just say
You dream of us both but I have to know
You've got to understand you're being underhand
about your dreamin'

Dreams, dreams, dreams, some are never long
enough
Dreams, dreams, dreams, some are never good
enough
I wonder do, do, do you ever get to sleep at night?
Who, who, who is it gonna be tonight?

You've been a naughty girl, you've got me in a whirl
I do believe it
You know you can be sure I want you more and more
Can you believe it?
I don't find it easy to say
But I think it's right that you have to know
You've been a naughty girl, you've got me in a whirl
I do believe it
You are a naughty girl, you've got me in a whirl
Can you believe it?
You've been a naughty girl, you've got me in a whirl
About your dreamin'
About your dreamin'
About your dreamin'
