Let me be a bad teacher without taboos and games  
Let me now provoke you with my truth and fame  
I'm a living sculpture and my body is art  
I can change my aspect right the way I want  
I'm the abnormal  
The different being  
The mutant I'm the filthyest thing

Let me win your fears through my wounds and blood  
Let me show you freedom with a brutal shock  
I'm a work of instruments tested by disgrace  
I attack morality and your fuckin race

I'm the abnormal  
The different being  
The mutant I'm the filthyest thing  
Let me show you outer limits  
- subhuman obsession -  
Transmutation of the flesh  
A new art A kind of vision  
- break the borders -  
Something that you can't control

I'm the abnormal  
The different being  
The mutant I'm the filthyest thing
