To the bitter end...
To the bitter end...
I'm losing my patience
Where are the consequences?
Released by the silence, I sense
I'm losing my patience
It weakens my concentration
I'm missing my guidance, I sense
Violence does no good
Tell me after you fail me
I'm counting off hours
Do you defend to the power of ten?
Tell me what are you proving?
Well, is it worth losing?
You said you'd fight till the bitter end
I'm building a shelter
I'm marking my territory
I'm flying my flag I, stand
I bend for nobody
Tell me after you fail me
I'm counting off hours
Do you defend to the power of ten?
Tell me what are you proving?
Well, is it worth losing?
You said you'd fight till the bitter end
Tell me after you fail me
I'm counting off hours
You said you'd fight till the better end
Get to the end, I'm fine if you like it
Get to the end, I'm fine if you like it
Tell me after you fail me
I'm counting off hours
Do you defend to the power of ten?
Tell me what are you proving?
Well, is it worth losing?
You said you'd fight till the bitter end
Tell me after you fail me
I'm counting off hours
(Here to the end, I'm fine if you like it...)
Do you defend to the power of ten?
Tell me what are you proving?

Well, is it worth losing?
(Here to the end, I'm fine if you like it...)
You said you'd fight till the bitter end
Here to the end, I'm fine if you like it
Here to the end, I'm fine if you like it
I, I turn to you, and you alone
Here to the end, I'm fine if you like it
I, I turn to you and you alone...
